DETAILED ACTION

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Image Sensor Fabrication Method and Structure having a substrate having at least one filter region with a plurality of conductive bond pad structures therein; a planarization layer above the substrate, the bond pad structures having a height near a height of the planarization layer; and at least one color resist layer formed above the planarization layer within the at least one filter region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
